

NATIONAL UNIVERSITY OF  
SCIENCE AND TECHNOLOGY

# Enrol Now!

## FIBRE AND POLYMER MATERIALS ENGINEERING

### ENTRY REQUIREMENTS

3 A' Level passes in Mathematics/Additional Mathematics/Mechanical Mathematics/Pure Mathematics, and any two from Chemistry, Physics, Biology, Geography, Statistics, Computer Science, Textile Technology, Engineering Drawing/ Technical Graphics/ Mechanical Technology and Design/ Geometrical and Mechanical Drawing with 5 "O" Level passes including Chemistry/Physical Science, English Language and Mathematics.

### PROGRAMME CONCENTRATES ON THE FOLLOWING AREAS:

Polymer Physics & Chemistry, Polymer Engineering, Polymer recycling, Plastics, Rubber products & Applications, Leather, Biomaterials, Textile materials, Fibrous materials
