

NATIONAL UNIVERSITY OF SCIENCE AND TECHNOLOGY

Applications are invited for the following posts in the Faculty of Engineering: -

1. LECTURESHIP/SENIOR LECTURESHIP/ASSOCIATE PROFESSORSHIP (2 POSTS)

Department of Civil and Water Engineering

Post A

Applicants must have a Master's Degree in Transportation Engineering and a First Degree in Civil Engineering, Civil and Water Engineering or Civil and Environmental Engineering. The successful applicant should be able to teach courses in road transportation, airport and railway engineering. A PhD in transportation will be a distinct advantage.

Post B

Applicants must have a Master's Degree in Structural Engineering, and a First Degree in Civil Engineering. A PhD in Structural Engineering will be a distinct advantage.

2. LECTURESHIP/SENIOR LECTURESHIP/ASSOCIATE PROFESSORSHIP (1 POST)

Department of Chemical Engineering

The Department seeks an enthusiastic and exceptional candidate for lectureship in Chemical Engineering. Applicants must have a Bachelor of Engineering or Bachelor of Science Honours Degree or equivalent in Chemical Engineering/Process Engineering and a Master of Engineering or Master of Science in Chemical Engineering. Further, they must be holders or be currently registered for a PhD in Chemical Engineering/Process Engineering. The successful candidate should have proven relevant industry and lecturing experience. Professional Board Registration is highly recommended. Evidence of scholarly contribution is required in the form of at least three (3) peer-reviewed journal articles. The incumbent will be expected to undertake teaching in the undergraduate programme as well as supervise research and development projects in the Department. While all areas of Chemical Engineering research will be considered, preference will be given to candidates whose research is in the areas of Water Treatment and Brewing.

3. ENGINEERING INSTRUCTOR (1 POST)

Department of Electronic Engineering

Applicants must have a First Degree in any of the following areas: Instrumentation and Control Systems, Electronic Engineering or Telecommunications Engineering. A minimum of three (3) years post-qualification working experience in an Electronic Laboratory, Control Systems Laboratory or as Workshop Instructor is required. Ability to instruct in Laboratory and Workshop Practise and other related projects will be an added advantage. In addition, applicants must possess a valid licence from the Engineering Council of Zimbabwe (ECZ).

APPLICATION PROCEDURE

All applications will be treated in strictest confidence. Applications, which should include a curriculum vitae (giving full personal particulars of applicant including full name, place and date of birth, qualifications, employment and experience, present salary, telephone numbers and the names, addresses (including email) and telephone numbers of three contactable referees) and copies of certificates must be addressed to:

The Senior Assistant Registrar (Academic)
Human Resources Department
National University of Science and Technology
P O Box AC 939
Ascot
Bulawayo, ZIMBABWE

and emailed to recruitment@nust.ac.zw in a **single pdf file** clearly indicating the position being applied for in the subject line.

The National University of Science and Technology is an equal opportunities employer. In the interest of promoting gender parity, female candidates are encouraged to apply.

The closing date for receipt of applications is Monday 3 August, 2020

ONLY SHORTLISTED CANDIDATES WILL BE CONTACTED.
