Oh lovely Zimbabwe, so wondrously adorned
With mountains, and rivers cascading, flowing free
May rain abound, and fertile fields
May we be fed, our land blessed
And may the Almighty protect and bless our land

30TH Graduation Ceremony

THE PHYSICIAN'S OATH

I solemnly pledge myself to consecrate my life to the service of humanity;

I will give my teachers the respect and gratitude which is their due;

I will practice my profession with conscience and dignity;

The health of my patient will be my first consideration;

I will respect the secrets which are confided in me,

even after the patient has died;

I will maintain by all the means in my power, the honour

and the noble traditions of the medical profession;

My colleagues will be my brothers and sisters.

I will not permit considerations of religion, nationality,

race, party politics or social standing to

intervene between my duty and my patient;

I will maintain the utmost respect for human life

from its beginning even under threat and

I will not use my medical knowledge contrary to the laws of humanity;

I make these promises solemnly, freely and upon my honour.

ALUMNI PLEDGE

As a graduate of the National University of Science and Technology,

I declare to abide by its tenets, values and teachings.

I declare to use my knowledge and skills for the benefit of society;

I undertake to always “THINK IN OTHER TERMS”,

Committing myself to the highest standards of professional service,

To my community, my country and as a citizen of the world,

I will endeavour to represent my alma mater with passion and loyalty.

I pledge my moral, intellectual and financial support in fulfilling

the vision and mission of my University,

In humanity and with need for divine guidance, I make this oath.
