

NATIONAL UNIVERSITY OF SCIENCE AND TECHNOLOGY

Call for Adjunct Professors

The National University of Science and Technology (NUST) invites applications from suitably qualified and experienced professionals to serve as Adjunct Professors across its Faculties, namely Applied Science, Engineering, The Built Environment, Science and Technology Education, Agricultural Science and Technology, Medicine, Environmental Science, Business and Economic Sciences, and Communication and Information Science. This initiative is designed to strengthen academic excellence, enhance research and innovation output and foster meaningful industry–university collaboration.

Eligibility Criteria

Applicants should possess:

- A PhD or equivalent professional standing in their field.
- 5–10 years of teaching, research, innovation or industry experience.
- Evidence of scholarly contributions, innovation, or impactful professional work.
- Demonstrated postgraduate supervision experience.
- Evidence of academic leadership or professional recognition.

Desired Attributes

- Strong communication and teaching skills.
- Experience with blended or online learning environments.
- Active engagement in research and innovation.
- Established professional or industry networks.
- Commitment to mentoring and academic excellence.

Key Responsibilities

The successful candidates will be expected to:

- Deliver lectures at undergraduate and/or postgraduate levels.
- Supervise research projects, dissertations, theses and innovations development.
- Contribute to curriculum design and review.
- Support research initiatives, grant proposal writing, and publications.
- Mentor staff and students.
- Participate in faculty activities such as seminars and workshops.
- Foster industry partnerships and innovation.

Terms of Appointment

- Part-time/ basis.
- Up to 3 years, renewable based on performance.
- Flexible engagement depending on teaching and research needs.

CONDITIONS OF SERVICE

An attractive package which includes Medical Aid, Leave and Pension Benefits is offered; details of which will be disclosed to shortlisted candidates.

APPLICATION PROCEDURE

All applications will be treated in strictest confidence. Applications, which should include a Curriculum Vitae (giving full personal particulars of applicant, including full names, place and date of birth, qualifications, employment and experience, present salary, telephone numbers and the names, addresses (including e-mail) and telephone numbers of three contactable referees) and copies of certificates must be addressed to:
